

# What Colours Are YOUR Days?

MONDAY is a yellow tulip  
Bursting into song

TUESDAY is a light blue wave  
Rolling you along

WEDNESDAY is the green grass  
And like a middle child

THURSDAY is a violet haze  
All musical and mild

FRIDAY is a deep red  
Rejoicing, Hip Hurray!

SATURDAY is pink and grey  
And sweet as turtle doves

SUNDAY is the orange flame  
For family and love
